Coronavirus: Resources and Assistance for HDFC Residents

UHAB is available to help HDFC residents and boards navigate this uncertain time. We’ll do our best to connect HDFC residents with:

• Referrals to agencies and volunteer groups for food assistance
• Guidance on financial options, cleaning protocol, and other matters for HDFCs and HDFC residents

UHAB is working with the Housing Justice For All coalition to ask Governor Cuomo for relief for HDFCs during this crisis! If you’re interested in learning more about this work and how to get involved, contact Sam at 212-479-3389.
